Re: United States v. David H. Brooks, et al., 06 CR 550 (JS)

Dear Counsel:

I write in response to concerns that you raised in your call with me earlier today and in your letter to Judge Seybert, filed earlier this afternoon. As you know, the government filed a letter regarding its investigation of allegations that the defendant threatened physical harm against various people and indicated that it does not intend to offer any evidence concerning these allegations. To be clear, to date, the government has not identified corroboration of these allegations and does not credit them.

Very truly yours,

LORETTA E. LYNCH
United States Attorney
